Final Statement of Votes

November 2, 1999 Consolidated Municipal Election

This is the Final Statement of Votes for the November 2, 1999 election The first 115 pages of the Statement reflect all of the votes on the "punch card" portion of the ballot The next 23 pages (unnumbered) reflect all of the write-in votes Please see the following page for instructions on how to read the Statement

There is one discrepancy in the Statement of Votes In precinct 3509, a total of 276 votes were cast (25 absentee and 251 polling place ballots), but the total number of votes cast for mayor was 277 Three individuals voted provisional ballots at this precinct, at least one of these ballots included a write-in vote The three voters were determined to be eligible voters The punch card portions of their ballots were put back into the correct precinct (the voter's correct precinct) However, the write-in stubs were not As a result, there is one more write-in vote in this precinct than there are punch cards

Election results may also be obtained from the Department's web site at http www ci sf ca us election Statements of Votes for the past four years are also available on this site
